

A BREATH

LUNG RUN/WALK

of HOPE

TWIN CITIES

Today marks **one month** until the [A Breath of Hope Lung/Run Walk Twin Cities!](#) Join 2,000 Midwesterners Saturday, August 12 at Lake Harriet for a glorious day and a chance to make a difference in the lives of community members hurt by lung cancer. **Register by Friday** to be entered in a drawing for a \$75 gift card to 6Smith on Lake Minnetonka.

While there will be live music beside a beautiful lake, lots of prizes, fun media personalities, a 5K Walk and 5 or 10K Run, **this event is so much bigger than that.** It's a chance to stand up to America's #1 cancer killer and create change. It's an opportunity to honor those we've lost to lung cancer and get behind those still in the fight. It's a chance to gather with others who are also passionate about changing lung cancer outcomes.

The Twin Cities Lung Run/Walk was founded by local patients and their families to give Minnesota a voice in the battle for fair research funding, better awareness, and support for families that have been dealt the cruel hand of lung cancer. Please join us.
