A Breath of Hope receives \$245K in grants!

A Breath of Hope Lung Foundation (ABoH) is pleased to announce it has received a \$200,000 grant from the Bristol-Myers Squibb Foundation to build the first online animated patient education program in the U.S.

The Animated Lung Cancer Patient Program will be a unique resource in the U.S. It will consist of patient-friendly animations, expert videos addressing patient FAQ's, easy-to-understand patient-centered slide shows, downloadable e-learning resources and info graphics.

ABoH received a second grant of \$25,000 from Celgene to continue building this important patient education program and to measure results to ensure positive patient outcomes.

A hearty thank you to NBA star Ricky Rubio for his **\$20,000 Matching Grant! Double your impact** this summer with a donation toward life-saving research. Ricky will match every gift up to \$20,000. Whether you give \$10 or \$1000, every gift matters to families hurt by lung cancer!

Gifts made at the following link will be earmarked for the 2017 *ABoH Women & Lung Cancer Research Fellowship*.
