

A Breath of Hope Lung Foundation

Thanks to your generous support over the years, A Breath of Hope Lung Foundation (ABOHLF) was able to fund two top U.S. lung cancer researchers who are committing their careers to lung cancer.

The *A Breath of Hope Research Fellowships* were awarded to the top two of fifteen excellent applications submitted by cancer centers across the nation. Proposals were scored on scientific merit, patient advocacy and ABOHLF mission fit.

Pictured above is award recipient, **Manish Patel DO (4th from right)** along with his mentor, Robert Kratzke MD, Skoglund Chair of Thoracic Oncology, Daniel Weisdorf MD, Department Chief, and Dr. Jan Ji, second year fellow from the University of Minnesota Department of Medicine.

Also pictured above and presenting the award for *A Breath of Hope Lung Foundation* are (from left to right): Mary Jane Benjamin - Donor, Nancy Torrison - ABOHLF Executive Director, Shanna Ballsrud, ABOHLF Founder and Board Treasurer, and MJ McKeon, ABOHLF Founder, Board Vice Chair and lung cancer survivor.

Dr. Patel will take the stage at 11 a.m. at our August 16th event to report on his research project on the use of oncolytic viral therapy for lung cancer.

Join us at 8 a.m. Saturday, August 16 at Lake Harriet for the **8th Annual Twin Cities Lung Run/Walk**. Together, we will save lives and change attitudes about America's deadliest cancer!

Hang around after the WALK/RUN to hear from Dr. Manish Patel, one of two recipients of the **\$150,000 A Breath of Hope Research Fellowships**.

Stop by the ABOHLF tent to:

Pick up a 2013 annual report; and

Purchase a \$5 rose for the first ever *Rose Raft of Remembrance* (roses on sale from 9:30-11:00). After a brief hand drum ceremony offered by our Native American partners at *American Indian Cancer Foundation*, we will observe a moment of silence at 11:20 by the lake behind the band shell.

Welcome back Leon
