Thank you Congressman Nolan for all you do to support the lung cancer field in Washington. Thank you Katherine for your courage and positive spirit as you battle lung cancer.

We're happy to welcome back as this year's Twin Cities Lung Run/Walk emcee, **Tom Hauser**, Chief Political Reporter with 5 Eyewitness News and all around nice guy!

Saturday!

the U.S. We're so happy to have him back to emcee our program

Dr. Joseph Leach is a well-known and well-loved oncologist in the Twin Cities and beyond. Coupled with his years of experience at Allina and Minnesota Oncology is his unfailing devotion to lung cancer patients and the lung cancer research field that is seeing improvements, but has far to go with a 17% survival rate.

Join us at the Lake Harriet Band Shell stage for an oncology update from 10:30 until 10:50 that will leave you filled with hope and more committed than ever to fight lung cancer in our state and beyond!

Dr. Leach will be available to say hello and greet patients and families after his talk Saturday.

Back by popular demand - the **Leon Laudenbach Band** playing their own blues. Leon Laudenbach is a singer/songwriter from St. Cloud, Minnesota who has been performing his original compositions for the past 30 years on stages throughout the upper Midwest. He spent his youth growing up on a farm on the south side of town bordering the Mississippi River. Being immersed in music and the river as a backdrop led to serious daydreaming and that proved to be the inspiration for the

songs he wrote. Leon has lost many family members to lung cancer and is an avid supporter of A Breath of Hope Lung Foundation's work.

A special surprise awaits 10th Anniversary attendees during our **Rose Raft Remembrance Ceremony** by the lake. Stick around to join our celebration and remember those who have lost their battles with lung cancer.

The ceremony will take place from 11:15 to 11:30 behind the stage at the lakeside. White roses will be on sale at the A Breath of Hope Lung Foundation tent.

Can't attend the 5K this year? You can still raise funds to make a difference in the fight to change lung cancer outcomes! **Register as a Virtual Supporter.** It's free and puts you in the running for gift cards to the metro's most popular restaurants!

In the Kids' Activities area and new this year - Make-A-Sign! Decorate a sign to carry during the 5K to celebrate your team. Remember to bring a photo of your loved one to add to your personalized sign! [View village map](#)
