Other ways to make an impact in the battle against lung cancer:

- Golf with us at the 3rd Annual A Breath of Hope Golf Classic June 12th at Deer Run. A full house sends a strong message to the public and media! Proceeds go to research fellowships for young, brilliant scientists. More info at www.abreathofhope.org/events.
- Individuals or businesses: **Sponsor a hole** (\$250, \$500, \$1000)! This is an excellent marketing opportunity (or chance to share your story) in front of 10,000 or more Minnesotans! Email nancy@abreathofhope.org for more information or to receive a sponsor benefit chart.
- Mark your calendars for the 9th Annual Twin Cities Lung Run/Walk August 15th and **START**

YOUR TEAM FUNDRAISING PAGE: race.abreathofhope.org

- **For Individuals and businesses:** Our 5K provides marketing exposure in front of 10,000 - 1,000,000 people. **Sponsoring this 5K** is an excellent way to support an important mission while promoting your work or honoring your loved one. Email nancy@abreathofhope.org for a sponsor benefit chart or more info.
- Help us find **opportunities to use our speaker's bureau** to raise awareness. Do you belong to a civic group, place of worship or business that invites speakers? Email jill@abreathofhope.org
