Enjoy live music with Minnesota's finest musicians, a catered dinner from Common Roots Catering, dessert from Salty Tart, silent and live auctions and a chance to join A Breath of Hope Lung Foundation as it goes LIVE with

the first Animated Lung Cancer Patient Program.

Tickets are now available at abreathofhope.org at the following price levels: \$250 each for premiere seating, \$125 each for general seating, and \$100 each (special price) for lung cancer patients and survivors! We're nearly sold out - don't wait!

Recommended dress: Cocktail attire with your best bling - ties optional for men!

It's time to celebrate our mission and successes as we chip away at this underserved cancer. We are a group of people who are deeply concerned about improving awareness toward earlier detection, increasing lung cancer research funding and supporting patients and families as they journey through a lung cancer diagnosis. We've worked hard - now let's have some fun!
