KFAN's Common Man!

Golfing with us again and prepared to take your money while shaming you on the course...

Think you can beat him? Ha! (OK, a few guys did that last year.)

Common Man makes everything more fun and we're thrilled that he can join us again this year to add his own brand of hilarity!

Congressman Rick Nolan and Katherine Bensen!

Representative Nolan spearheaded the effort to create a first-of-its-kind Bipartisan Congressional Lung Cancer Caucus after his youngest daughter, Katherine Nolan-Bensen, was diagnosed with stage IV non-smoking lung cancer December 31, 2014.

We're honored to welcome Congressman Nolan and his lovely daughter, Katherine to our golf event June 10th. Katherine fights lung cancer with spirit, courage, hope and dignity.

Join us June 10th for a great day of fun, fellowship and maybe even a few beers!
