Registration now open for the 13th Annual A Breath of Hope Lung Run/Walk Twin Cities

June 13, 2019 (WAYZATA, MN) – A Breath of Hope Lung Foundation (ABOH), a non-profit organization dedicated to improving lung cancer outcomes, will host the A Breath of Hope Lung Run/Walk Twin Cities, presented by Northfield Lines, on **Saturday, August 10, 2019 at the Lake Harriet Bandshell in Minneapolis, Minnesota.**

The 13th annual event will bring together athletes of all abilities to support those affected by lung cancer. [Registration is now open](#) and participants are encouraged to form a team, bringing together friends, family and even dogs (the course is dog- and stroller-friendly) to help ABOH raise awareness and funds for research.

“Lung cancer is the leading cause of death in the U.S. – claiming more lives than breast, colon and prostate cancers combined,” said Nancy Torrison, executive director at ABOH. “This event is so important because it brings the community together, while raising awareness and dollars to help us continue to fight for better lung cancer outcomes.”

There will be prizes for the top runners in our 5K and 10K runs, children’s activities, custom t-shirts, free beverages and snacks, food trucks, live music from the Leon Laudenbach Band and personalized signs to honor loved ones affected by lung cancer. The event will end with a grief ceremony for families who are grieving the loss of a loved one to lung cancer.

Registration is [now open!](#) For more information about A Breath of Hope or the Lung Run/Walk Twin Cities, please visit www.abreathofhope.org.
