

A Breath of Hope Lung Foundation's Circle of Light (COL) is a group of transformative donors who are committed to our mission of increasing the survival rate of lung cancer. Circle of Light is our annual giving program: members give or pledge \$500+. Together with our members, we've made a difference not only in Minnesota but across the country and the globe. We have:

- **Educated patients and the public** for improved outcomes and earlier detection. Due to poor screening uptake and limited screening eligibility, 74% of lung cancer cases are diagnosed in stages 3 and 4, when it is harder to treat.
- **Joined the national battle** to make sure NSCLC patients receive comprehensive biomarker testing to identify the best treatments: our future is in precision medicine.
- **Funded \$3 million of U.S. research** to support some of the top lung cancer researchers and projects in the world.
- **Received 1.5 million visits** from patients, caregivers, and providers in 130 countries to our educational literacy-based program found at YouandLungCancer.com. 98% of survey respondents report learning new and important information about lung cancer.

Your Benefits:

Beyond knowing that you're making a difference in the lives of hundreds of thousands of U.S. lung cancer patients, survivors, families, and caregivers each year, you can enjoy:

- **Exclusive invitations to events**, including a Pickleball and Brewery event on October 10th and an educational webinar in November.
- **Comped and half-priced tickets** for our most popular events - the Lung Run/Walk on August 10 at Lake Harriet – one of the largest lung cancer events in the US—and our Shining Bright Gala on November 8 at the elegant Minneapolis Event Center featuring a happy hour and delicious meal, brief program, silent and live auction, and live entertainment.
- **Recognition** in our Annual Report, website, social media, and more.
- **Your name on custom t-shirts and signage.**

To join the Circle of Light, our donors are required to give a minimum gift of \$500 total in a calendar year – although higher dollar amounts come with different exclusive benefits. This donation amount can be a one-time donation or spread out throughout the year, but must be pledged before benefits can be received, and paid by 12/31. We accept payment via check, cash, or online donation and are happy to discuss options. For assistance, contact Emma Carper-Jacobo, Advancement Manager, at emma@abreathofhope.org.

My 2024 COL Pledge

\$ _____ to be paid _____ monthly or _____ annually by 12/31

Email: _____ Phone: _____

Do you need an invoice? Yes/No If yes, when? _____

I wish my gift and name to be acknowledged/published as follows: _____
