Meet Emma, ABOH's New Advancement Manager

A note from Nancy: Dear ABOH Donors – I am still here and always love to hear from you, call anytime. And now - imagine my delight when we hired Emma, an experienced fundraiser, to double and triple our efforts to end lung cancer. She is a lovely woman, and I hope you will get the chance to meet her at the lung run/walk or other upcoming events. We both appreciate all you do to support this important mission and welcome your thoughts and ideas!

A note from Emma: Hi! My name is Emma Carper-Jacobo and I am excited to be stepping into the newly instated position of Advancement Manager here at ABOH. I look forward to connecting about fundraising and development, advancing ABOH's mission and vision--you might have heard from me already! I'm from Southeastern Iowa but moved to Minnesota with my husband and two dogs, our yellow lab Peter and Aussie Clover, just over 2 years ago now. I love reading, playing board games, enjoying the MN outdoors (when the weather is kind to us), and writing. A fun fact about me--I'm a published author!

I hope to see you soon in the ABOH tent at the Lung Run/Walk--stop by to say hi or learn more about our giving programs including our Circle of Light!
